Take Me Out to the Ballgame!

August 28

It was a great time at the Old Ballgame on August 28 when our club got together to enjoy the Marlins WIN over the Cincinnati Reds! Thanks Arlene for another great club event!

From The Helm

Well, after a rocky ride “duking it out” where we were all going to have our “Socials” we’ve now arrived at a calm point and the weather is looking great...smooth sailing...with a nice 15 knot wind in our sails. Galuppi’s was the winner for where we will have our Socials moving forward and we are working out the details to make everyone happy. We are 100% committed to Galuppi’s.

Next, there is not a lot going on right now. With the Covid numbers peaking higher than they have ever been we’ve all decided to take a “wait and see” approach as to Club gatherings/raft ups/parties. Stay tuned though! Just yesterday the number of covid infections went down. Maybe there is something to this theory of herd immunity.

So with that being said, keep your ears tuned (some of us need both of them to hear)...we will be announcing events that we had cooked up for 2021 still yet.

This is a big shout out! We desperately need to get this going: We need a person nominated from the General Membership to serve on the Nominating Committee for 2022 Board Members. Please, we need volunteers! Cut off time, September 10!!!

Other news...we have—134 members! We are growing! And we are back on track financially with our budgets. We have a new easier to use much less expensive website on the way. We have a great SOS Learning Event planned and more. Like I said much depends on the pandemic and how things are.

Some sad news...we lost another Captain Ed White. He passed last Thursday. Great guy, long term Club Member...and he will be missed.

Other than that my fellow swabbies...thanks. I believe the Club is in good shape...moving in the right direction...and holding our own towards handing over the reins to a new Board in 2022.

Fair sailing my friends,
Captain Brian
