From The Helm

Dear SSSF Club Members:

I want to start off by thanking everyone that has been supportive of our mutual cause this year. Yes, another tumultuous year totally exacerbated by Covid. We exercised—as noted by some—extreme caution when it came to our club being a super spreader and as a result didn't get out on the water as much as other clubs are doing or did.

As my tenure winds down, I want to thank everyone that participated in this year's Board, Committee Members and anyone who stepped up to give their time to keep the club to stay on course. There were a lot of people that did that.

We have quite a few events coming up. From the SOS to the Holiday Party...and then the COC we are quickly coming to a year end where the next Board can look for prosperity and the end of Covid. We will announce the new Board on November 4th. I'm pretty excited about the new Board...they are a bunch of really great people and 2022 will be a great year for the club...A BETTER YEAR BECAUSE COVID WILL HAVE DECLINED.

Other than that I am hoping that the club will order lots of clothing from our club store. Remember, no matter what the cost the club gets around \$10 for each sale. The clothing is very good quality! We didn't pick any junk or cheap stuff.

Fellow sailors and boaters, get ready for a new year...I can't believe I'm saying that already...and hopefully the return to the water.

Fair sailing my friends,
Captain Brian
